

## Antibacterial Handwash Sachets ([Hyperlink to pdf](#))

Developed by doctors, used by professionals. Safe for use on children's' hands.

- Cleans and disinfects dirty or soiled hands in one easy step. A distinct advantage over gel rubs which don't clean
- Use anytime and anywhere to rapidly disinfect hands, you don't need soap and water.
- Convenient small sachet, ideal for carry with you at all times. Ideal in the office, car, minibus.

Each box contains 100 wipes in individual sachets.
