community
membership

A special membership scheme
for community transport
organisations with no paid staff
and voluntary car schemes

If you do not employ staff, then Community Membership is for you

The CTA has developed Community Membership for small voluntary organisations which either operate a voluntary car scheme or run a minibus that they use to transport their own group or loan to others.

Community Membership is only available to small organisations that do not employ any paid staff and operate solely through volunteers.

Join the CTA now and you will be joining an association that gives you:

- > Regular information and advice on key issues affecting your organisation
- > Help in developing your organisation and training your volunteers
- > Access to discounted services, saving you time and money
- > An opportunity to use your local experience to influence government and policy makers

“ As a car scheme in a remote area, CTA membership gives us access to high quality advice, information and guidance. The CTA has never let us down and is there to fight our corner. ”

Allan Jones, Gairloch Community Car Scheme

“ The CTA provides us smaller community transport organisations with a voice at a national level. ”

Debbie Johnson, Pembrokeshire Association of Community Transport Operators
