

Directions by Car

From the South (M56/M6)

Stay on the M56 as it becomes the A5103/Princess Parkway.
Continue into Manchester.

The A57 (M) Mancunian Way is partially closed at present; there is no access onto the Mancunian Way from the A5103 Princess Parkway due to the ongoing roadworks. We suggest this alternative route (but please be aware that there may be traffic congestion in the area.)

At the roundabout at the end of Princess Parkway, take the 3rd exit.

At the second roundabout, take the first exit into Cambridge Street.
Continue as the road bears right into Fairfield Street.

Cross the traffic lights and continue into Whitworth Street. Continue as the road bears right into Fairfield Street (you will pass Piccadilly Station on the left just after the lights.)

Take the first left turn under the bridge into Travis Street; this becomes Adair Street and you will find Aeroworks on the left hand side.

Your destination:

**Aeroworks
5 Adair Street
Manchester
M1 2NQ**

If you have mobility difficulties, there is parking for disabled people at Aeroworks, but please contact us in advance on 0161 351 1475 or email info@ctauk.org to check availability.

There are nearby car parks where you can park for under £3. Go to en.parkopedia.co.uk/parking/m1_2nq for details.

If you get lost call us on 0161 351 1475 and we'll point you in the right direction.
