Dear Consultee,

Summary of responses to the consultation on amending motorway speed limits for certain heavy vehicles.

Thank you for responding to the public consultation on the proposal to amend motorway speed limits for heavy goods vehicles under 7.5 tonnes and passenger carrying vehicles with 12 or fewer seats.

I am writing to inform you that the Department for Transport (DFT) will **not** be taking forward the proposals as set out in the consultation paper published in February 2009.

You may be interested to know that the summary of responses received can be found on the DFT website at www.dft.gov.uk under closed consultations.

Yours sincerely,

Joanne Wake
